

Mohawk United Soccer U15 – U17 Boys

If you are a U15 to U17 player looking for a competitive soccer team, without the expense of a Premier team, then Mohawk United could be the team for you. The team is hosted by the Niskayuna Soccer Club, and is open to players from the capital district and beyond.

Coaches and teams:

The Boys team is coached by Steve Adams and still has openings. Currently the plan is to play as a U16 team, but if a significant number of U17 players register, they may play as a U17 team.

Practice/Games:

The team anticipates 2 practices per week. One to be held at the Niskayuna High school, and the other at an indoor turf facility. The team plans on playing indoor games at either Afrim's or Sportsplex.

How much will this cost?

- There is a \$195 registration fee that covers the uniform cost, CDYSL registration, insurance, field maintenance, and the spring CDYSL outdoor season costs.
- In addition, the team would appoint a treasurer who would collect actual costs incurred for indoor play, practice time, coach's fees, tournament registrations, and other direct team costs.
- All in, these costs, including the \$195 registration fee, are estimated to range in the \$600-\$800 range depending on the actual activities and number of players.
